# LifeNets: 2021 Highlights at a Glance...

***Our mission is to help people in need, promote self-sufficiency and, where possible, enable the recipients to pass their benefit on to others.***

Highlighted below are just some of the varied projects that have met real needs and changed the lives of people and communities in 2021. Thank you for helping us make a difference in these people's lives!

## **Developing Nations Scholarship Fund** <https://lifenets.org/programs/scholarships/>

## **Wheelchairs USA** <https://lifenets.org/wheelchair> and <http://lifenetswheelchairproject.org>

In 2021, LifeNets Wheelchair Project was able to help those suffering from MS, paralysis, COPD, etc by transferring wheelchairs and other medical devices all over the US. We had another great year in matches which totaled 65 including medical beds, all types of wheelchairs, hoist lifts, ramps, etc. Below, is a testimonial and picture from John, who requested a wheelchair for his brother, Bill, who suffered from a blood clot and stroke.

“Your wheelchair is a wonderful gesture and gift at a time that is overwhelming to all friends & family. Bill is my younger brother by two years. He will be 65 on November 3rd. A blood clot on Bill's left side of the brain has put him in need of a wheelchair. The ischemic stroke left him without the use of the right side of his body. The stroke has had a life altering effect on everyone. But, the wheelchair has given everyone comfort and he was able to use it at his only daughter's wedding on Saturday. Thanks, John”

## **India Aid**

India has suffered serious Covid-19 disruptions in 2021 and in early May we let you know about the great need for aid. The spike in infections (about 300-400,000 new cases per day) was unexpected and has led to deadly shortages of oxygen, ambulances, and hospital beds. Countries around the world are now taking notice and have pledged to send aid in the form of medical supplies as well as other aid.

LifeNets thanks all who contributed towards relief. V. Srikanth in Andhra Pradesh, India (shown on right) writes a report to thank those who helped through our senior pastor David Schreiber and his wife Jolinda who live in southern Minnesota.

You can read a more detailed account on our Website at <https://lifenets.org/india-report-july-29-2021/>

We have also helped similarly in Bangladesh and Sri Lanka

## 25th Anniversary for "Revival" Centre in Ukraine

On June 25, 2021 we celebrated the 25th Anniversary of the "Revival" Children's Rehabilitation Centre in Chernihiv, Ukraine. We had representation from the United Kingdom and the United States online for this joyous event, even though it was over Zoom! LifeNets is honored to be a part of the foundational work of Dr. Vasyl Pasichnyk and his wife Dr. Natalya Zenchenko. See celebration video and full story at <https://lifenets.org/25th-anniversary-of-the-revival/>.

We have supported "Revival" since 1996 when it was first opened on the tenth anniversary of the Chernobyl nuclear disaster. It has provided aid to thousands of children suffering from various maladies from the disaster.
