

## Project Prioritization for Good Works – United Church of God

Our overarching commission is to, “do good to all, especially to those who are of the household of faith” (Galatians 6:10). With that our priorities in choosing projects are ranked in importance as follows:

1. Improving living conditions/quality of life for brethren. This will include projects that provide water, food, housing, disaster relief, or long-term income opportunities.
2. Buildings and vehicles for international congregations in need
3. International camps
4. Community outreach
